

ISSUE LOGGING ON TE RORO

STEPS ON HOW TO FIX TE RORO

<p>1. Open Goggle Chrome</p>	
<p>2. Click on the icon with the three stacked horizontal lines to the left of the address bar; this will open up a dropdown menu.</p> <p>Should bring you to this screen and click on Settings</p>	

<p>3. Click on Privacy</p>	 <p>The screenshot shows the Chrome Settings application. The 'Settings' title is at the top in a blue bar. Below it, a list of settings categories is shown: 'You and Google', 'Autofill', 'Privacy and security' (which is highlighted with a blue background), 'Appearance', 'Search engine', 'Default browser', 'On startup', 'Advanced' (with a dropdown arrow), 'Extensions' (with an external link icon), and 'About Chrome'.</p>
<p>4. Click on clear browsing data arrow.</p>	 <p>The screenshot shows the 'Privacy and security' settings page. A 'Clear browsing data' button is highlighted with a light blue background. Below the button, the text 'Clear history, cookies, cache, and more' is visible. A small right-pointing arrow is located to the right of the text.</p>
<p>5. It should bring you to the below screen and tick Cookies and other sites data & Cached images and files.</p>	 <p>The screenshot shows the 'Clear browsing data' dialog box. The 'Advanced' tab is selected and highlighted with a blue underline. The 'Time range' is set to 'Last hour'. The following items are listed with checkboxes: 'Browsing history' (6 items) is unchecked; 'Download history' (None) is unchecked; 'Cookies and other site data' (From 1 site) is checked with a blue checkmark; 'Cached images and files' (Less than 319 MB) is checked with a blue checkmark; 'Passwords and other sign-in data' (None) is unchecked; and 'Autofill form data' is partially visible at the bottom and unchecked. A vertical scrollbar is on the right side of the list.</p>
<p>6. Once you have tick box then you can click CLEAR DATA then close setting site.</p>	 <p>The screenshot shows the bottom of the 'Clear browsing data' dialog. There are two buttons: a 'Cancel' button with a blue outline and a 'Clear data' button with a solid blue background and white text. A vertical line is to the right of the buttons.</p>

<p>7. Go to Site Settings</p>	
<p>8. Permissions and click on Cookies and site data.</p>	
<p>9. Turn on the allow sites to save and read cookie data (recommended) & Clear cookies and site data when you quit Chrome.</p>	
<p>10. Go to clear on exit and Add</p>	<p>app.cinsf.com and click on ADD</p>  <p>Then close everything</p> <p>Then log back on Goggle Chrome and type in app.cinsf.com</p>
